Dear Brothers and Sisters:

The health and safety of you and your family is of the utmost importance to the Officers and Agents of Local 407. Local 407 Business Agents have been communicating with your employer to find out what policies, procedures and preventative measures are being put in place in order to protect you and your coworkers.

Teamsters Local 407 will continue operations during the COVID-19 outbreak. We are asking members to make an appointment with your Business Agent prior to visiting the building to ensure they are available, so your visit is as productive as possible. All Business Agents will continue to be available by phone, in person at your facility or at Local 407.

Local 407 Officers will continue communicating with the International Brotherhood of Teamsters in Washington, DC. As new information develops we will disseminate that information to our members. We are and will continue to be available for everyone as we work through this crisis.

If you have any questions or concerns, feel free to call your Business Agent below:
